22. (1) The public officer appointed by the Secretary for Home Affairs may -
   (b) license premises for the playing therein of games in which
       mahjong or tin kau tiles are used.

(3) Any such licence shall be subject to the prescribed conditions and to
any other conditions which the public officer appointed by the Secretary for Home
Affairs may impose.

(4) The public officer appointed by the Secretary for Home Affairs may
cancel any such licence at any time -

(5) Notice in writing of a decision of the public officer appointed by the

statement of the reasons for the decision.

(5B) Any person aggrieved by a decision of the public officer appointed by
the Secretary for Home Affairs made in respect of him under this section may,

Appeals Board.

(5C) A decision that is appealed against under subsection (5B) shall be
suspended in its operation as from the day on which the appeal is made until such
appeal is disposed of, withdrawn or abandoned unless such suspension would, in the
opinion of the public officer appointed by the Secretary for Home Affairs, be
contrary to the public interest and the notice of the decision contains a statement to
that effect.

(6) Where a condition of any such licence is contravened, the person to
whom the licence was issued commits an offence unless he proves that the
contravention occurred without his consent or connivance and that he exercised all

The following special conditions are imposed by the public officer in accordance with Section 22 (3) of the Gambling Ordinance, Cap. 148:

(a) No alteration of the premises is permitted without the prior written approval of the public officer.

(b) The number of tables in the premises for games in which mahjong/tin kau tiles are used shall not exceed the number of tables permitted in the licence. The tables for games shall be positioned in strict accordance with the layout plan approved by the public officer.

(c) The licensee shall display and keep displayed the notice provided by the public officer at a prominent place near the main entrance of the licensed place denoting that the premises have been issued with a mahjong/tin kau licence.

**Note:** “The public officer” means the public officer appointed by the Secretary for Home Affairs under the Gambling Ordinance (Cap. 148) and the Gambling Regulations (Cap. 148A).
III. Brief Policy Guidelines on Issue of Mahjong/Tin Kau Licence

1. The Law

Section 22(1)(b) of the Gambling Ordinance (Cap. 148) provides, inter alia, that the public officer appointed by the Secretary for Home Affairs (“the public officer”) may license premises for the playing therein of games in which mahjong or tin kau tiles are used.

2. Points for consideration before the issue of a Mahjong/Tin Kau Licence

Each application will be considered on its own merits. However, the public officer will consider major factors listed in (i) to (vi) below.

(i) Cogent need for a lawful gambling outlet
Government's policy is that a mahjong/tin kau parlour (MJP) should, as a general rule, be allowed to be set up only if a cogent need for such an outlet is established.

(ii) Suitability of the applicant
The applicant should be found suitable for managing a MJP.

(iii) Suitability of the proposed premises
The proposed premises should be found suitable for use as a MJP from structural and means of escape points of view, as well as in terms of the lease of the land.

(iv) Suitability of the proposed location
The location of the proposed premises should be found suitable. As a general rule, the proposed MJP should not be located within a pure residential neighbourhood or in close proximity to an educational or religious institution or an institution or facility catering to children and youths. Besides, the establishment of the proposed MJP should not result in an undue concentration of MJPs in the locality.

(v) Local reaction
The public officer would assess the local reaction to the establishment of the proposed MJP and the potential objection if the application is approved, with the assistance of the relevant District Officer.

(vi) Sympathetic consideration for a “relocation” case
An application may be considered with some degree of sympathy if a licensee relocates his premises to a site within the immediate neighbourhood, if the application is made when his licence is still in force, and if the new application does not lead to any increase in the number of gaming tables. In such cases, however, the other considerations as stated under these guidelines will continue to apply.

The public officer may include in the Mahjong/Tin Kau Licence any other licensing conditions as he considers appropriate.

Since it is not possible to know whether an application would be supported for further consideration at the stage of application, applicants are strongly advised not to incur any expenditure or enter into any form of financial commitment in relation to the proposed premises.
