Owners & Operators

Dear Sir/Madam,

**Notice on the Introduction of Revised Certificate of
Fire Service Installations and Equipment [F.S. 251]
FSD Circular Letter No. 5/2025**

I refer to FSD Circular Letter No. 5/2025 announced in September 2025. This serves to remind you on the introduction of revised F.S. 251. I would like to draw your attention that the grace period for accepting the old version F.S. 251 (Rev. 1/2016) will end on 31 March 2026. You are reminded that with effect from 1 April 2026, you will be rejected from any application of renewal that is submitted with the obsolete F.S. 251. Only the revised version F.S. 251 (Rev. 1/2025) will be accepted.

For further details of the subject FSD Circular Letter No. 5/2025, please check the ‘Circular Letters / Code of Practice / Notice / Guidance / Checklist’ in ‘Fire Protection’ on the HKFSD’s website (https://www.hkfsd.gov.hk/eng/fire_protection/).

Your cooperation is much appreciated. Should you require any amplification of our advice, please do not hesitate to contact our case officers during office hours.

Yours faithfully,

(YUEN Kin-pun)

for Chief Officer (Licensing Authority)
