Anti-epidemic Fund Amusement Game Centres Subsidy Scheme

Guide to Application

(Application period: 17 January 2022 to 17 February 2022)

Introduction

Under the directions issued by the Secretary for Food and Health pursuant to the Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599F), scheduled premises (including amusement game centres) have been ordered to close since 7 January 2022 due to the drastic changes of the epidemic situation.

2. In view of the genuine difficulties experienced by amusement game centres as their business has been affected by the latest epidemic and social distancing measures imposed by the Government, a subsidy under the Anti-epidemic Fund will be disbursed to amusement game centres through the “Amusement Game Centres Subsidy Scheme”. Eligible operators of licensed amusement game centres (“AGCs”) under the Amusement Game Centres Ordinance (Cap. 435), eligible operators of e-sports venues that have been duly exempted, or have applied for but not yet obtained an exemption for e-sports operation, from Cap. 435 and eligible operators of internet computer services centres (“ICSC”) registered with the Office of the Licensing Authority (“OLA”) under the Home Affairs Department may apply for a one-off subsidy of \$50,000.

Eligibility

3. The operator must fulfill the following criteria in order to become eligible under this subsidy scheme:

(a) be either one of the following:

- (i) the holder of an AGC licence that is valid for any period within the period from 7 January 2022 to 20 January 2022 (“the specified period”¹), and such licence application was made on or before the Government’s announcement of the closure order under the Prevention and Control of Disease (Requirements and Directions) (Business and

¹ The period which AGCs were ordered to closed in accordance with the directions issued by the Secretary for Food and Health under the Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599F). “The specified period” may be further extended in response to the latest direction(s) issued by the Secretary for Food and Health.

Premises) Regulation (Cap. 599F) on 5 January 2022;

- (ii) the person-in-charge of an e-sports venue which has been exempted from Cap. 435 for any period within the specified period;
- (iii) the applicant for an AGC exemption for e-sports operation which was in place before the announcement of the fifth round of the AEF on 11 January 2022; or
- (iv) the person-in-charge of an ICSC in operation registered with the OLA² before the announcement of the fifth round of the AEF on 11 January 2022;

and

(b) the AGC / e-sports venue / ICSC concerned is still in operation and the subject AGC licence (or such renewed licence) / exemption from Cap. 435 / e-sports exemption application / ICSC registration of an eligible operator should remain valid at the time of submitting an application under this subsidy scheme.

4. Operators mentioned in paragraphs 2(a)(iii) and 2(a)(iv) should substantiate that the concerned premises are genuine e-sports venues and ICSCs respectively. To achieve this purpose, the relevant operators are required to submit the following supporting documents / information (and other documents / information as required by the OLA) for vetting:

- (a) for operators of e-sports venues, such operators should submit the detailed mode of operation (if they had not done so for their exemption application) to substantiate that the concerned premises are genuine e-sports venues;
- (b) for operators of ICSCs, photocopies of the business registration certificates and other relevant documentary proofs (including but not limited to contracts with / bills from internet service providers providing internet connection services) should be submitted by the operators to demonstrate that the venues have all along been operating as ICSCs.

² The applications from non-registered ICSCs which were established before August 2003 and have been in operation in the same premises since then would be considered on a case-by-case basis.

Failure to submit the above documents / information and other documentary proofs as required by the OLA may render an operator ineligible under this subsidy scheme.

5. An operator of a registered ICSC may also be applying for an AGC exemption for e-sports operation for the same premises. Such operator should only be entitled to one subsidy under this subsidy scheme for the same premises.

6. If non-compliance with the closure order under Cap. 599F or with the licence / exemption conditions (if applicable) is identified, the Government reserves the right of taking appropriate action on the application for a subsidy.
