Dear Sir/Madam,

**Directions under Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599F)
with effect from 10 April 2020**

We have issued letters on 27 March and 1 April 2020 informing you that the Secretary for Food and Health issued directions in accordance with the Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599F) (“Regulation”) which imposed requirements on clubhouses.

2. Since the COVID-19 pandemic remains severe, the Secretary for Food and Health issued latest directions today (8 April 2020) in accordance with the Regulation which (a) extended the requirements imposed on all catering businesses and all clubhouses to 23 April 2020; and (b) directed that beauty parlours and massage establishments be closed to 23 April 2020. According to section 9(2) of the Regulation, a manager who, without reasonable excuse, contravenes the relevant direction commits an offence and is liable on conviction to a fine at level 5 and to imprisonment for 6 months.

3. For details of the latest directions, please refer to the press release (www.info.gov.hk/gia/general/202004/08/P2020040800020.htm) issued by the Government today. Thank you for your support.

Yours faithfully,

(Signed)
