Notes:

In view of the concerns raised by owners of private buildings in respect of guesthouses operated in their buildings, the Office of the Licensing Authority (OLA) has implemented a new Notification System with effect from April 2014. Under the Notification System, the OLA will upload to the website and issue letters to the owners' corporation / residents' organization and/or the property management company of the building concerned, as well as the owner of the premises concerned to inform them that a new or renewal application for guesthouse licence has been received and is being processed by the OLA.

*Pursuant to Section 12N of the Hotel and Guesthouse Accommodation Ordinance, local consultation for this application is being conducted/completed. Affected persons of concerned premises have been/ will be informed of the consultation details.

#A "Notice to refuse to renew the licence" has been issued to this hotel/guesthouse. Given that the licensee has lodged an appeal against the decision to refuse to renew the licence, the decision is now suspended in its operation until the end of the date on which the appeal is disposed of, withdrawn or abandoned.
